As Salam Alaikum Wa Rahmatullah,

IMO is a non-profit, provincially registered organization which was established in 1994 to promote and advance the spiritual teachings of Islam in Canada and abroad and to give a good understanding of Islam to everyone and to clear confusion and correct misconceptions about Islam and Muslims.

For over 5 years, we have worked with Risalah Foundation on Mawlid, seminars and on an important initiative with the RCMP's CTIO Workshops and Round Table on Deradicalization. During Risalah Foundation's project reveal Iftar on May 31st 2017, we were happy to learn more details about the Masjid Vaughan Project launch.

We strongly endorse the Masjid Vaughan Project as it is an important new venture for the Muslims of Vaughan.. For further questions and or comments please contact us.

Best Regards,

Br. Omar Farouk
President, International Muslims Organization
