As Salam Alaikum Wa Rahmatullah,

The Islamic Society of York Region aims to ensure that Muslim children grow up as upright, honest, humane, caring and compassionate individuals that would act as model citizens. Interaction with other faith communities is an essential part of character building so that they learn to appreciate and respect diversity even while upholding their own Islamic values as true and sincere individuals.

Risalah Foundation, through the leadership of Shaykh Ramzy Ajem, shares these values with ISYR and has supported us through Khutbah services and have plans underway for expanding lessons. We look forward to endorsing Risalah Foundation's new initiative, the Masjid Vaughan Project.

Best Regards,

Zafar Bangesh
Director
