As Salam Alaikum Wa Rahmatullah,

Sanad Collective's vision is to establish a community reflecting and sharing the beauty of God and Prophet Muhammad ﷺ in action, word, and spirit. Sanad Collective's Chaplains, Teachers and Elders are here to offer support in a caring, non-judgmental way.

We have partnered with Imam Ramzy Ajem and Risalah Foundation for over five years on a variety of programs, scholar visits and joint events. We look forward to collaborating on future endeavors and as such, we are honoured and pleased to endorse the Masjid Vaughan Project.

For further questions and or comments please contact us.

Best Regards,
